

## Child Safety Officers

To ensure all students are kept safe, Launceston Christian School has appointed and trained specific Child Safety Officers (CSO) in key positions around the school.

They are reliable and confidential points of contact for any matters related to child safety. Students or staff may also choose to use the [studentsafe@lcs.tas.edu.au](mailto:studentsafe@lcs.tas.edu.au) email which redirects to the Heads of School to report issues or ask questions related to child protection.
